MONTGOMERY IN MOURNING.

Three Funeral Services Held Sunday Afternoon. All Highly Respected Citizens.

There were three funeral services held in Montgomery City Sunday, all prominent citizens.

The funeral service of Thomas McDonald and Henry E. Aubuchon were held at the same hour—3 o'clock Sunday afternoon at the Catholic church, both buried in the Catholic cemetery. The funeral of Clark Ellis was held at 2:30 in the Methodist church. All the services were largely attended. It was necessary to send out of town for vehicles, many attending the services from a distance in spite of the bad roads.

THE DEATH OF THOMAS McDONALD.

Thomas McDonald an aged and respected citizen of this city passed peacefully away Saturday, May 25, 1907. He leaves a widow and one son, Thomas E. McDonald, Jr. The deceased was born in Buffalo, New York, June 27, 1834, and had only lived in Missouri for a few years. He was an old schoolmate and friend of ex-President Cleveland, and although a staunch Republican he never went back on his old Democratic friend, always casting his ballot for Cleveland.

Mr. McDonald was an honorable and highly esteemed citizen, a man of extensive business interests in his younger days. He was a faithful member of the Catholic church and his death was as peaceful as the falling asleep of a little child. The life and death of such a neighbor and friend is not to be regretted—for he lived well and died well and has entered "through the gates into the city." Peace to his ashes—and consolation to his faithful widow and son and family who administered to him so faithfully during his last illness.

A NEIGHBOR.

ERNEST AUBUCHON PASSED AWAY.

After an ailment of nearly two years and a confinement to his bed of ten days Henry Ernest Aubuchon died at his home east of this place Wednesday night, May 22, at 10 o'clock.

Mr. Aubuchon was born at Cross Keys, St. Louis county in 1864 where he grew to manhood. In December 1893 he was married to Miss Annie Long, a sister of the Long brothers now of this neighborhood. Later the family moved to this country, buying the old John T. Hunter farm. Ernest has been suffering for sometime with Bright's disease. Sunday two weeks ago he came home from St. Louis and was on the streets some time. After reaching home he suffered a hemorrhage of the brain from which death followed.

No man in this community was better liked than Earnest Aubuchon. He was always kind and lived upon the broad principles of right and justice to every man. His widow and five sons have lost a loving husband and father and this community sympathizes with them in their afflictions.—New Florence Leader.

CLARK SANFORD ELLIS.

Clark Sanford Ellis was born in Lincoln county Mo., Sep. 16, 1853. He came to Montgomery county about eight years ago. He was twice married, his first wife died Oct. 22, 1882. Three children, two sons and one daughter, were born to this union, all of whom are living. His second wife died Sept. 23, 1901. Of this marriage three children were born, two sons and one daughter. Brother Ellis was converted and joined the M. E. church south, when he was 19 years old. From that till his going from us he was a faithful, quiet unassuming christian gentleman, who carried his religious principles into the every day affairs of life. This life was loved and respected by all who knew him. He went from our midst May, 24, 1907 at the age of 54 years, 8 months and 8 days. His funeral was presided from the Methodist

church in this city May 26 at 2:30 p. m. by the pastor H. D. Thompson assisted by Rev. J. E. Kerr, pastor of the Presbyterian church. One of the largest crowds that ever attended a funeral in this city was present at the funeral, in testimony of the high esteem in which this very worthy christian gentleman was held. Burial was in the city cemetery.

JABEZ H. PEVELER

Jabez H. Peveler was born in Montgomery county, Mo., Feb. 4, 1832, died at his residence six miles west of Montgomery City, after a painful illness of dropsy and heart trouble, Thursday morning, May 23, 1907, aged 75 years 3 months and 19 days. He was a son of Daniel and Ruth Peveler who came to this county from Kentucky in an early day and settled in this county. He was of a family of seven children four boys and three girls. Only two survive him; Mrs. Rachel Ham, of Callaway county and Mrs. Saline Sailor, of this city.

On the 16th of February 1878, Mr. Peveler was married to Mrs. Sarah B. James. God blessed this union with four children two of whom died in infancy; two are living, a son, Edward E. Peveler and daughter, Miss Bertha A. Peveler, also a devoted step-daughter, Mrs. Emma Hays, and also two grand children living, these with a lonely companion and many loving relatives and friends are left to mourn his departure.

In November 1888 Mr. Peveler and his wife professed religion and united with the Loutre Baptist church during the meeting held at that place conducted by Elders J. Mitchell and R. E. McQuie and ever lived a devoted christian life. He was an exemplary member of the Masonic Fraternity and also a member of the Grand Army of the Republic.

His funeral services were held at the Primitive Baptist church house on Loutre, conducted according to his request by Elders S. A. Elkins and R. E. McQuie, in the presence of a large gathering of neighbors and friends after which the remains were taken charge of by his Masonic brethren and laid to rest in the adjoining cemetery.

Tandy M. Hughes, brother of the late Judge E. M. Hughes of this city, died at Des Moines, Iowa, last Wednesday, May 22, and was buried the following Friday. Mr. Hughes was born at Danville, this county, and was an estimable citizen. In a letter from Mr. Arnold Hughes, of Wichita, Kan., brother of the deceased, he says: "From a family of nine children, six have passed into the other world." The admonition is plain—"Be ye also ready."

WRIGHT L. SMITH.

Wright L. Smith, public administrator of this county, died at his home in Jonesburg last Thursday, May 23. Mr. Smith was an old and highly respected citizen of this county. His death was a surprise to his many friends.

JOHN JOHNSON.

Charles Johnson was called to Bowling Green this week by the death of his brother, John Johnson.

The dedication of the Baptist church of Bellflower took place May 26th. It is the newest structure in the country. The members are justly proud of it. The seating capacity is about two hundred. Present membership 24. They had a great day, fine preaching, a dinner that cannot be excelled. Raised \$900. They have made a glorious beginning. May God bless their efforts.

WORKING FOR SHOE FACTORY.

Montgomery Seems to Have a Good Chance to Secure this Shoe Factory.

A committee of Montgomery citizens consisting of the following members, W. W. Worley, R. S. Paul, Jno. W. Jacks and H. W. Johnson made a trip to Moberly Wednesday to consult with Mr. Bradt, superintendent of the Brown Shoe company factory at that place. Mr. Bradt will have much to say as to where the proposed new factory shall be located, and it is a satisfaction to note that our committee succeeded in convincing him that this is the most desirable place yet considered.

The committee learned during its visit at Moberly that the president, secretary, and Supt., Bradt, of the Brown Company all favor our city.

There are several other cities in sharp competition with us for the location of the factory, and one of them, Brookfield, Mo., has offered a bonus of \$100,000, and several Illinois towns have offered from \$60,000 to \$70,000. If mere money consideration settled the matter Montgomery would not be in the running, but there are other considerations. Our location, only 84 miles from St. Louis is greatly in our favor, another point in our favor, is our nearness to Moberly, which will enable the same man to act as superintendent of both factories.

The committee looked over the Moberly factory and are more enthusiastic in the work of securing the factory here than ever. The machinery there is all run by electricity and the factory is clean and bright, making a nice place to work. Moberly gave a bonus of \$60,000 for a shoe factory. The buildings and machinery now there cost \$125,000 and when working at full capacity will turn out 5000 pairs of shoes a day.

The company proposes to build a factory of about the same capacity if they finally conclude to come here.

Mr. Worley and Mr. Paul will today go as a committee from here to make a final plea to the heads of the company in St. Louis, for the location of the factory here.

A Word of Commendation.

In view of the fact that Mr. Ferd. Wahrer was a faithful member and the honored president of our Young Peoples' Society of Christian Endeavor, and also very faithful in the Presbyterian church and Sunday school, a genial gentleman, mild in disposition and unobtrusive in manner; and in view of the fact that he has given up his work in our midst and removed to Chicago to engage in business, it gives us pleasure, as a Young Peoples' Society of Christian Endeavor, to cordially commend him to everybody as worthy of their highest esteem in a business way as well as a religious way.

Decoration Day Services.

Memorial day was fittingly observed in Montgomery. On Sunday morning, May 26, the Grand Army Post attended the M. E. church in a body, where memorial services were conducted by the pastor, Rev. H. D. Thompson.

On Decoration Day the old soldiers assembled at the court house at 10 a. m. and burdened with flowers, marched to the cemetery, where services were held and the grave of the deceased soldiers were strewn with flowers.

At 1 o'clock the old soldiers and their friends re-assembled at the court house where appropriate services were held, and an address was delivered by Elder S. A. Elkins.

There were two additions to the Baptist church at Prayer services Wednesday evening, May 29. Mr. and Mrs. Samuel Cobb.
